Fire Chief Warns Of Danger From Dry Xmas Trees

Fire Chief Gerald D. Browne of the Albany Fire Department wishes to bring to the attention of the citizens of the community the present Christmas tree situation with regard to their flammability.

Due to the prolonged dry spell some trees may have become very dry and flammable. The Chief urges that when buying a Christmas tree to be sure it has not dried out. This can be known by simply shaking the tree and if the needles fall off heavily the tree is too dry. When you do find a tree that is satisfactory be sure to place the trunk of the tree in water. The best assurance is to have the tree sprayed with a fire retardant material. Your local paint shop or hardware store will advise you on this.

Be sure your tree light wiring is in good condition. If there is any doubt whatever of its safety discard the cord and purchase a new one. It isn't worth the chance to use doubtful cords for lights. When trimming the tree use nonflammable decorations and keep the tree as far as possible from a heat source. Do not put too many presents or other decorations under the tree. Delegate someone to dispose of all wrappings immediately.

"These few hints are simple and common sense and if followed there should be no real danger from fire to mar the Christmas holiday season in anyone's home," the Chief added. Let's keep Albany the fire pre-tension minded city it has been for."

Albany Lions Honor Hi School Football Team

Albany Lions with some 200 guests and friends gathered at Spenger's Fish Grotto last Thursday evening to honor members of the varsity football team from Albany High School. The evening was opened with an address of welcome by President Phil Martin of the Albany club who then turned the gavel over to Lion William MacKenzie, chairman for this special annual event. At the conclusion of dinner, Lion William Savage, head football coach at Albany, presented each member of the squad with special awards for their fine performance during the season just completed.

"Bill" Taylor, end coach for the University of California team was the speaker of the evening and delivered an excellent inspirational talk to those about to enter upon their life's work.

As the formal part of the meeting was brought to a close all present were treated to some of the first moving pictures taken of the Albany team in action. These 16mm pictures, filmed by one of the faculty, are for instruction and study after each game, furnishing the instructors with first hand material for future training. The Albany Lions wish to express their sincere thanks to the many who helped make this event possible and now are planning for a bigger and better party for the year 1960.

Following Letters Were Presented To Council on Monday

The following letter from Berkey Lee Volkswagen, concerning request for change in status of the firm's property facing on Adams Street, was read before the City Council Monday night. Another letter was presented to the council by Ray Cirimelli, Chairman of the Albany Citizens Committee, commenting on various civic affairs. The letters are given herewith.

December 7, 1959
Honorable City Council
City Hall, Albany, Calif.
Gentlemen:

It is respectfully requested that the Honorable City Council continue the hearing on the request of the undersigned for a Use Permit, as provided by Ordinance, until Dec. 14, 1959. The request is made for the following reasons, to wit:

1. Members of our organization are canvassing the residents of the area, immediate to the area which we propose to improve, for the purpose of displaying and discussing our tentative building and landscaping plans. We desire time to incorporate into these plans any improvement which the residents may suggest.

2. We are convinced that our proposed expansion, properly controlled by the Planning Commission and the Council of this City, will result only in benefit to the community as well as ourselves. Berkey Lee Volkswagen has enjoyed goodwill and growth over the last 15 years in this city and we see no reason to lack confidence in the future growth and development in this city. All interested parties are invited to visit our place of business to view first hand our operation and proposals; therefore, we request the above continuance so that intelligent presentation as well as, consideration may be given our proposals.

Very truly yours,

Holiday Don'ts By Police Dept. For Yule Season

Every holiday season brings an increase in certain types of criminal activity; the petty thief, burglar, con-man — all are active at this time of the year. The following is a list of "Do's and Don'ts" recommended by the Police Department:

Do not leave your home without locking the doors and windows.
Do not leave door keys in conspicuous places.
Do not leave notes informing friends or relatives that you will be away from home.
Do not lay purses and wallets on store counters while shopping.
Do not leave packages in the front or back seat of cars. Put them in the trunk.
Do not inform strangers that you will be away from home.
Do not carry shoulder strap purses.
Do not leave large sums of money in the house.

Do not listen to anyone who promises you money in return for nothing.
Stop milk and papers if going away for the holidays.
Close garage doors and leave a light on in the house during short absences.
Leave shades and blinds open during absences.
Ask any peddlers for their solicitor's permit. If they have none, call the police. Even if they have one and their manner is offensive, call the police.
Report any suspicious persons in your neighborhood. Attempt to get a license number.
Men, keep wallets in inside coat pocket.
Above all, drive carefully during this period, and may everyone have a very happy holiday season.

Letter of Thanks To Fire, Police

The following letter has been received in the Times office: May we please use your paper to thank the members of the Albany Fire and Police Departments for their quick response to our call for help on November 20. Although their efforts were without avail we are consoled in knowing that these men did everything possible to save our son's life. Words cannot express our gratitude. May God bless them all.

PUBLIC HEARING ON ALBANY COURT

The Albany City Council has set Monday, January 11, 1960, as the date for a public hearing to discuss the proposal that the Berkeley-Albany Municipal court sessions, held here since 1953, be discontinued, and all cases be held in the new court house in Berkeley.

Municipal Court Judges Redmond C. Staats and Floyd C. Talbot, have suggested that such a move would save time and cost and that the volume of court business transacted here has been so small that the weekly trips to Albany by the judges and court officials appear to be unwarranted. However, they have said they are willing to abide by the decision if Albany residents so approve.

The Council approved — without setting a precedent — the claims for damages and payment of blumling bills in the Terry and Bellon sewer matters on Portland Avenue. This barely got by, with the vote 3 to 2 in favor; Howell, Zahn and Blank voting "Yes," while Keck and Donahue voted "No."

Reduction of the speed limit on Solano and Washington at the hilltop to 15 miles an hour, was passed unanimously. The argument in favor of the move is that cars approaching the hilltop from either direction, do so "blind," owing to the sharp grade.

There was considerable discussion of methods to be taken toward preventing future slides, such as did a great deal of damage on the east side of the Albany Hill two years ago. No definite solution was arrived at, but City Engineer Dayton was to be contacted by a council committee to discuss possible emergency methods to be adopted until a permanent solution can be found.

A conditional rezoning of Lot 19 and a portion of Lot 18, Block 16, Regents Park Map No. 8, was approved by a 4 to 1 vote, Mrs. Zahn dissenting.

ed and resulted in the ensuing action:
1. The Citizens Committee wishes to express its thanks to Councilwoman Zahn for making the motion and to Councilman Howell for seconding same, to protect the rights of the property owners in their protest against the establishment of a commercial zone in their block, to-wit: the 700 block of Adams Street. We urge further the adoption of a Master Plan for the city of Albany, to eliminate the constant "spot zoning" requests, which, if granted, give preferential treatment to and show discrimination against our own citizens, and favor, in many instances, residents outside of Albany.

2. The Citizens Committee wishes to express its thanks to the City Council for its firm and vigorous stand against the disruptive plan contemplated for Albany by the Transit District, and a special thanks to Mrs. Zahn for so graphically illustrating this plan at council meeting. A united council and a united citizenry are essential to defeat this plan. May we have more unity in the future on issues facing our city.

3. The jail problem is of considerable concern to us at this time. How does it happen that the Police Chief and Fire Chief permitted these conditions to exist for these many years past? We suggest that an analysis be made of the number of, and cost of, transferring and maintaining prisoners since the closing of the Albany jail. The question in the minds of the people is... what suddenly precipitated this decision in view of the many years past practice, without any action taken along this line?

4. It has come to the attention of the Citizens Committee that some departments are in the habit of requesting sums of money beyond that allocated in their budget. Of recent date the Park and Recreation Department

Copies of the rules and method of scoring have been sent to Cornell, Marin and Albany High schools. Prizes will be awarded at three levels, Unit, District and Department. In the contest held last year there were over 59,000 essays submitted for judging throughout the state of California.

At the unit level, cash awards will be presented to the first three winners in each group; District Ten (Alameda County), a first prize in each group of an \$18.75 Savings Bond and certi-

has been the most consistent in this respect. We urge a job evaluation survey in each department and a review of the monies recently spent in Memorial Park at the request of the Park Superintendent in his letter to you dated Nov. 6th, 1959.

We should like to state that the Citizens Committee in no way intends to infringe upon the prerogatives of the elected officials and their employees, but, as citizens interested in the welfare of their community, we hope to bring forth those questions pertinent to existing issues, for the purpose of clarifying and unifying our city and its taxpayers.

We beg to remain, Respectfully, Albany Citizens Committee RAY CIRIMELI, Chairman

ing answers to questions asked
by curious Albany parents.He said that the level of juve-
nile delinquency in Russia is low.
Most young people seem to have
a feeling of togetherness with
other members of their society.
On a trip to Russia last summer,
Mr. Mandel and other members
of his party found a relaxed,
friendly attitude among the Rus-
sian people. The Americans, who

540 San Pablo, Albanynight through Golden Gate Park,
had the impression that they
could walk anywhere, any time
in perfect safety in Russia.Education in Russia is compul-
sory and enforced, the speaker
said. From age seven everyone,
including the retarded, must at-
tend school for eight years. Each
child must take eight years of
science courses and four years of
foreign languages. The academic
level in science, history and
literature is extremely high, he
said. High school, which lasts
three years, may be attended
full-time, part-time, evenings or
on a seasonal basis. Russians are
given time off with pay from their
jobs to go to school. Every
high school student leaves school
with a trade.Eighty per cent of the college
students get grants-in-aid from
the government, Mr. Mandel
said. The amount they receive
for stipend and housing is de-
pendent upon their grades. There
are material rewards in every
aspect of Russian life, he added.On the pay scale, teachers
rank on a par with skilled work-
ing men on up to professor, the
highest-paid person in Russian
society. Lawyers are held in low
esteem in Russia, he said, but,
although all medical attention is
free, the medical profession is
highly respected. Three fourths
of all doctors are women. The
speaker explained that women in
Russia pursue their professions
with as much pride as men.Russia has twice as many cer-
tified engineers as America, he
said, and three and a half times
as many engineers are being
graduated each year.Teachers in Russia retire at
full pay after 25 years of teach-
ing. Those who teach the retarded
get two years of retirement
credit for each year of teaching.
Classes are conducted six days
each week, but the teacher gets
one of those days "off" for self-
improvement.When one budget-minded PTA
member asked how all these edu-
cational incentives are financed,
Mr. Mandel said the government
pays it out of profits from in-
dustry it owns, from taxes on
agriculture it doesn't own and
from a type of sales tax. The
Russians will be abolishing in-
come tax soon, he added.Russian housing conditions are
"miserable," Mr. Mandel said. He
described standards of living as
typical of those in America 30 to40 years ago. While there is ex-
cellent public transportation,
there are very few private cars.Contrary to the impressions of
most Americans, Russians have
active PTAs, write letters to the
editor and express their "beefs"
freely. There seems to be a sharp
line in theory, however, between
criticism of the way things are
done and of the system as such,
he added.Mr. Mandel was introduced by
Mrs. Ted McCain, program chair-
man.Musical selections were pre-
sented by the string ensemble,
including Dean Volheim, first
violin; Roberta Schofield, second
violin; Marion Schofield, viola,and Karl Fossellus, cello, re-
placing John Bennett, who broke
his wrist.Refreshments were served by
eleventh grade mothers, headed
by Mrs. L. R. Tripodi and Mrs.
William McGimpsey. Others
were Mrs. O. R. Janke, Mrs. Lee
Keck, Mrs. W. R. Schofield, Mrs.
Harold Potter, Mrs. L. D. Stock-
ing and Mrs. Robert Moulton.Mrs. Michael Silvester, mem-
bership chairman, announced
that 398 parents have joined the
PTA and that memberships are
still being received. She said Mrs.
May Andelin, faculty representa-
tive, had achieved 100 per cent
faculty membership in the or-
ganization.SALE SALE SALE

Jr. Red Cross To Stage Dance Saturday, Dec. 12

They are planning a dance to be held on Saturday, December 12, from 8 to 11 p.m. at the Garfield Junior High School Gym, the proceeds of which will be given to the Berkeley Christmas Committee to augment their funds in the annual Christmas Drive for the needy of Berkeley.

"Everyone is invited," states Lee Robinson, president of the Secondary Council. "We hope to have a good turnout, because the committee has worked hard to make this dance a success. Local merchants have donated record albums to be given as a door prize and for prizes in a dance contest. There will be refreshments, and music will be furnished by Food's Four, a local high school band. We are calling the dance "Silver Bells" and decorations will follow that theme."

Tickets costing 75c a couple may be purchased at Berkeley Red Cross Chapter, 2116 Allston Way, at the door the night of the dance or from any member of the committee.

Seeks Funds For
Christmas Baskets

The Society of St. Vincent de Paul of Alameda County is accepting cash donations to provide Christmas baskets for poor and needy families.

According to President John

E. Morris, the society is receiving hundreds of requests from needy families who are unable to provide Christmas dinner for their children. The society has taken care of families under similar circumstances for years and with the help of people from Alameda County, this year will be no exception.

Please send checks to Society of St. Vincent de Paul, 2272 San Pablo Avenue, Oakland, Calif.

Phone Company
Offers Advice on
Holiday Calls

Pacific Telephone is asking phone users to do their Christmas shopping early — for information, that is.

That's because crowded long distance lines often result in delayed service on holidays and callers may have trouble calling a friend if his name is spelled Ray, Rae, Raye, Re, Rea, Reagh, Reay, Rey, Rhea or Wray.

This friend would be no better off if he wanted a man by the name of Thompson, one of its 11 varieties, or any number of names which are confused easily over the telephone.

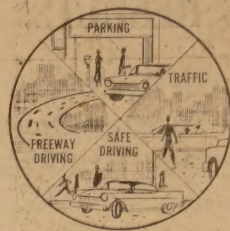

"It speeds up things if you have a first name and initial, or street address, plus pen. II and paper to jot the information down," T. H. Winburn, District Manager said. "Information operators handle 80 to 100 calls an hour. If they are tied up by one customer, someone has to wait. That someone could be you."

Mr. Winburn emphasized that efficiency is increased further if calls are placed before or after the holiday since the bulk of the traffic is on the festive day itself.

Winter Camp
For Boy Scouts
In Scenic Sierra

Thirty miles east of Sonoma, California, only a short distance beyond California's Mother Lode country, astride the Stanislaus River, lies one of the most unusual Boy Scout Camps of the country.

It is a winter camp of eighty acres for boys, owned and operated since 1949 by the Mt. Diablo Boy Scout Council, and named Camp Judge Bray, honoring one of Scouting's most beloved leaders, Justice A. F. Bray, of Martinez.

Eight modern dormitories will be ready for the 1960 season which opens January 1. This winter wonderland will accommodate some 250 campers, and is expected to be filled to capacity throughout the busy season. Each of the dormitories have been appropriately named in memory of famous pioneers who helped to win the west. Snowshoe Thompson, Kit Carson, Buffalo Bill, Daniel Boone, Jedediah Smith are among those revered.

Expert ski instruction without cost awaits the Camp Bray camper. Two ski lifts operate daily — one for the beginners and the other for the more accomplished skier.

Volunteer manpower has developed the entire layout. Hundreds of people contributing thousands of hours in labor has made the camp possible for boys.

Within recent weeks, one half mile of three inch pipe line has been added, also a septic tank, 350 feet of sewer line, and two new dormitories, each designed to comfortably handle 32 boys. Buildings have been remodeled and all equipment readied for the winter season.

Les Hinks Lodge, built in 1951,

INVEST IN
U.S. SAVINGS BONDS

is one of the camp's most used buildings. It is used primarily for the many training courses and conferences held there. It is estimated that a hundred such courses will be held there during the forthcoming winter season.

During the 1959 season, 75 Troops from all parts of Contra Costa County, Berkeley, Albany, in Alameda County, representing more than 1,500 boys and their leaders, used the camp. Seventy-five Troops are registered for this season. Reservations can be made by submitting the official application form to the Mt. Diablo Boy Scout Council.

Chamber Chatter

By IRENE GROVE

Albany is beginning to look and feel like Christmas . . . the lights are going up on San Pablo; the decorations on the trees on Solano, and progress is being made on Albany's Christmas Lane, Key Route Boulevard . . . But don't miss the beautiful holiday displays going up at Albany stores . . . Here are just a few:

The Lexicon Store, 619 San Pablo, is again a beautiful Christmas store. Tom and Edith Gabriel are to be highly complimented on their gorgeous display.

The huge Christmas tree in the one window of the store is a traffic stopper, with its array of Italian imported diamond sparkle lights and its imported ornaments. Other windows look like beautiful Christmas packages with their gorgeous red bows and holly. New York or any other large city could not outdo Albany on this one.

Check the window at Pursell's, 1111 Solano . . . the very sophisticated reindeer and jolly little old Santa Claus seem to be beckoning you inside to buy one of

those new holiday dresses. The corner at Solano and Kains is bright with Christmas lights on the fronts of Daughtry Real Estate, Bernard's Printing and Hollfelder Jewelry. Don't miss taking a peek at the small side window at Hollfelder's . . . a white frosted Christmas tree amidst the sterling silver gift suggestions.

There are too many to mention in just one column . . . we'll remind of more each week. At most all the merchants have special Christmas windows . . . they are bringing the Christmas spirit to you . . . Let's patronize them and do our shopping right here in Albany. Remember, the "Best Buy is to Buy in Albany."

Speaking of merchant displays . . . we are dying of curiosity about what is happening at the corner of Solano and San Pablo at the Cortese Pharmacy store front . . . they tell us it is a secret . . . so we have to wait and see.

This is the season for the foot ball Bowl Games . . . We have a real surprise for you. Albany is going to have a bowl game. The crowd won't number in the thousands but we will venture to say there won't be a harder fought game or a more interesting one anywhere. It is the Grader's Bowl Game . . . date is Saturday, December 12, and time 2 p.m. The place is the Albany Community Center Field. The carefully chosen top tow team: playing are Albany's own Bobcats, Cornell Grammar School and the Cougars from St. Mary's seventh and eighth grades. I will be a gala bowl game complete with bands and cheer leaders and plenty of spirit. There is no admission charge so let's all turn out to cheer these young players on and see a real ball game.

This is the first year of what is planned as an annual affair. We salute the Albany Recreation Department for sponsoring this event and especially the two coaches, Paul Gaddini, Cornell and Martin St. John, St. Mary's for their splendid work with these boys. The motto for inspiring these young grid stars is one we could all follow . . . "Hard work and self sacrifice will bring recognition."

Speaking of football . . . you missed a very outstanding event if you missed the Albany Lions Club banquet for the Albany high football squad. It was a real success.

Holiday Frozen Pie Trio Is Hostess Aid

From now on through the end of the year, every household will be full of the hustle and bustle of one holiday on top of another. In addition to the planned celebrations, there are bound to be a multitude of casual get-togethers to put extra demands on Mom. She can make them gay times for her, as well as for everybody else, if she cleverly relies on a supply of Simple Simon's fresh-frozen holiday trio - pumpkin, mince and apple pies.

With these three favorites on hand, it's simple to float through the holiday season, serene in the knowledge that you're ready for all comers. No defrosting needed—just pop in the oven and bake. The tender, golden crust and delicious plump fillings are the finest gesture of hospitality you can offer your guests. And when there's a special event, bake a pumpkin, a mince and an apple pie, and offer a choice to your guests with a light, spiced topping in the holiday mood.

WHIPPED SPICE TOPPING (Makes about 2 1/2 cups)

1. Mix 1/2 cup instant nonfat dry milk crystals with 1/2 cup ice water.
2. Whip until soft peaks form (3-4 minutes). Add 2 tablespoons lemon juice.
3. Continue beating, while gradually adding 1/4 cup sugar, until stiff peaks form (3-4 minutes longer).
4. Fold 1/4 teaspoon cinnamon and 1/4 teaspoon nutmeg into whipped instant crystals and serve with Simple Simon's holiday pie trio.

Seniors Discuss Christmas Baskets For Albany Needy

A large group of Seniors met at 850 Masonic Avenue, Albany, on Tuesday afternoon at 1:30 for their monthly business meeting.

Virginia Gill, the treasurer, read the report for the month of November, and the committees gave reports on different activities.

The subject of Christmas baskets for the needy of Albany was discussed and Antoinette Gallemore, Recreation co-ordinator, was delegated to consult with Elmer Nelson of the Recreation Department, and find out what is being done in his department about this matter. Any one who wishes to contribute to these baskets is asked to bring their contributions to the Center.

The entertainment chairman, Carolyn Matthew, also brought up the subject of the Annual Christmas Party and it was unanimously agreed that one should be held. The evening of December 22nd was decided upon as the date, and each man was asked to bring a present for a man and each lady to bring a present for a lady. These presents to be clearly labeled either "Man" or "Woman" and not to cost in excess of 50 cents. A box will be provided for the deposit of Christmas cards for exchange among the members. The program for the evening will be given in more detail later after plans are completed.
